

## Homeland Security Advisory System

**Low Condition (Green).** This condition is declared when there is a low risk of terrorist attacks. The City of Broken Arrow shall implement the following protective measures:

1. Refining and exercising as appropriate pre-planned Protective Measures;
2. Ensuring personnel receive proper training on the Homeland Security Advisory System and specific pre-planned intra-department protective measures;
3. Regularly assess critical infrastructure (telephone, electrical, water, sewer, I.T.) network facilities and taking all reasonable measures to reduce vulnerabilities; and
4. Review and exercise Emergency Operation Plan.

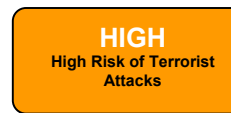

**Guarded Condition (Blue).** This condition is declared when there is a general risk of terrorist attacks. In addition to protective measures taken in the previous threat condition, the City of Broken Arrow shall implement the following protective measures:

1. Check communications systems with designated emergency response personnel and command locations;
2. Reviewing and updating City of Broken Arrow emergency response procedures;
3. Activate employee information plan, as needed; and
4. Review and exercise emergency plans.

**Elevated Condition (Yellow).** An Elevated Condition is declared when there is a significant risk of terrorist attacks. In addition to the protective measures taken in the previous threat conditions, the City of Broken Arrow shall implement the following protective measures:

1. Evaluate the need for, request and or increase surveillance of critical locations;
2. Coordinating emergency response plans, as appropriate, with adjoining jurisdictions;
3. Assessing whether the precise characteristics of the threat requires the further refinement of pre-planned protective measures;
4. Implementing, as appropriate, contingency and emergency response plans;
5. Coordinate response plans with response agencies;
6. Implement emergency plans, as appropriate;
7. Check deliveries to Water and Sewer Treatment Plant's, per industry guidelines.

**High Condition (Orange).** A High Condition is declared when there is a high risk of terrorist attacks. In addition to the protective measures taken in the previous threat conditions, the City of Broken Arrow shall implement the following protective measures:

1. Coordinating necessary security efforts with the Federal, State, County, and other local law enforcement agencies, and/or the National Guard/Armed Forces Reserve Center;
2. Review contingency procedures, such as moving to an alternate work site;
3. Restrict access to critical City of Broken Arrow facilities to essential personnel only;
4. Place operations personnel on notice to be aware of any unauthorized activity; and
5. Test emergency communications.

**Severe Condition (Red).** A Severe Condition reflects a severe risk of terrorist attacks. Under most circumstances, the protective measures for a severe condition are not intended to be sustained for substantial periods of time. In addition to the protective measures in the previous threat conditions, the City of Broken Arrow shall implement the following protective measures:

1. Coordinate with the Federal, State, County, and other local law enforcement agencies, the National Guard/Army Reserve Center for threat analysis;
2. Restrict access to essential personnel;
3. Activate emergency response personnel;
4. Increase security resources to critical City of Broken Arrow operations and/or facilities;
5. Make preparations and implement continuous active onsite surveillance at critical City of Broken Arrow facilities;
6. Coordinate additional staffing of special operations for security with BAPD as necessary;
